## Anacostia, Hyattsville, Rockville

ANACOSTIA.

Mrs. Gertrude Frasier, wife of S. Woodell Frasier, of Valley place this suburb, died yesterday while a patient at the Sibley Hospital. Mrs. Frasier was Miss Tolson prior to her marriage, daughter of the late Henry N. Tolson, who died but a few months ago. Besides her husband, one daughter, Marjorie, survives. She was twenty-five years old. Funeral services will be held from St. Mark's Episcopal Church, Southeast Washington. Interment will be in Congressional Cemetery.

The Columbus Realty Corporation, a recently formed organization, has purchased the large tract of land at Good Hope, known as Havenmeyer park, and it is the intention of this company to subdivide the same, and place it on the market.

Rev. G. LeRoy White, pastor of the Anacostia M. E. Church, with Mrs. White and their son, will leave today for a visit to his former home at Salsbury and Princess Anne, Md.

Those fond of hunting black and red birds on the marshes of the Anacostia river are watching each day the movements of the birds, preparatory to the opening of the season on September 1. The fact that the reclamation work has made land of large part of the former marshes, will make the shooting of the birds easier this year, as few boats will be needed.

Rev. and Mrs. W. O. Roome, Jr., the former rector of Emmanuel Church, have left on a vacation at a suburb of Baltimore where they will remain for several weeks.

The Men's Social Club of the Congressional Citizens' Association will hold a special meeting tomorrow night on the lawn surrounding the home of Mr. Williams.

Rev. Henry T. Cousins, pastor of the Anacostia Baptist Church, expects to return from his vacation in time to conduct the service in his church on Sunday night. In the morning the Rev. Dr. J. B. Clayton, of Washington, will have charge of the service.

Dr. Cousins has been summering at Mountain Lake Park and Baltimore.

ROCKVILLE.

Practically all of Montgomery county assembled at the farm of Benton G. Ray, near Coleville, Md., yesterday for the fourth annual horse and colt show of the Montgomery County Horse and Colt Show Association.

With the race for all county offices at fever heat, and the situation acute from many angles, it was a field day for politicians as well as for horses. Every candidate, with all of his lieutenants, and the county workers for every faction in the State were on the job.

The horse show on the Ray meadow was a big success, and there were many Washington horses among the winners. Breeders from all of Maryland were at the show. It is more than likely that many of the winners will be seen at the county fair at Rockville next week.

Thirty-one classes were judged during the afternoon and the program was concluded with a mile and a half steeplechase, and a four-and-a-half-mile race under the same conditions. These were the only racing events.
